About Chalet Capiieu - Le Barn

If you're fed up with the crowds and the concrete jungle of the major ski resorts, don't waste any time and book the apartment Le Barn in Chalet Le Capiieu.

Situated in the middle of the piste, this is a true ski-in ski-out out 3 star apartment with all the action right on your doorstep, but when the crowds go home at the end of the day, you've got the mountain to yourself!

Le Barn is one of four apartments in this authentic mountain Alpage, or farm. There is parking nearby, and in the winter your luggage will be ferried across the piste to the chalet. You're just 500m from the Lake Annecy ski resort of Merdassier, where you'll find restaurants, a supermarket, sports shops, a boulangerie and an autobank.

With such a privileged location, the panoramic views over Alpine meadows are breathtaking, with the Etale mountain providing a dramatic backdrop.
